BIRMINGHAM TRAIL MAP

13TH AUGUST - 31ST OCTOBER 2022

Go on a Journey of Discovery through Birmingham to explore our shared history and how we can make racial justice a reality.

A JOURNEY OF DISCOVERY

To create a world that embraces the dignity of all, we must recognise a simple truth: **We are our history.**

This summer, The World Reimagined invites you on a journey of discovery to transform how we understand the Transatlantic Trade in Enslaved Africans and its impact on all of us, so that we can make racial justice a reality.

This is not 'Black History', this is all of our history.

This map shows you where to find our trail of Globe Sculptures. They have been created by artists with an incredible mix of approaches and styles, bringing to life themes from Mother Africa to Still We Rise and Expanding Soul.

Exploring the trail is completely **FREE**.

Inspired by the vibrant, challenging and joyful art, you can also explore our online Journey of Discovery Collection to learn more about our history, present and future.

On the website, you'll also be able to:

- Find the school Globes on our online trail maps, which have been created by more than 170 schools across the UK.
- Connect with the events and activities of the incredible organisations who bring Birmingham to life with the work of making racial justice a reality.

**Together, we can create a future in which all can say:
I am seen.**
